iLearning

Knowledge To Go!

Infocar presents a completely new training concept – *iLearning*

Gives you a perfect complement to our popular e-learning library of automotive training

Always accessible – anywhere, anytime

Use your mobile phone for easy 24/7 access to automotive training

Use spare time for increasing competence

Spend 10 minutes each day on your way to/from your job

Compact program modules – buy what you need

Buy the training modules from the Infocar e-store (from the end of 2008) or from our distributors
